

Tornier to Present at the Credit Suisse 2012 Healthcare Conference

November 1, 2012 9:31 AM ET

November 1, 2012

AMSTERDAM--(BUSINESS WIRE)-- Tornier, N.V. (NASDAQ: TRNX), a global medical device company focused on providing surgical solutions to orthopaedic extremity specialists, announced today that David Mowry, the Company's Chief Operating Officer, and Shawn McCormick, the Company's Chief Financial Officer, will be presenting at the Credit Suisse 2012 Healthcare Conference.

The Company's presentation is scheduled for Wednesday, November 14, at 7:30 a.m. Mountain time at the Arizona Biltmore Hotel in Phoenix, Arizona.

The presentation will be webcast live on the Investor Relations section of the Company's website at www.tornier.com. For those who are not available to listen to the live webcast, a replay will be archived for one year.

About Tornier

Tornier is a global medical device company focused on serving extremities specialists who treat orthopaedic conditions of the shoulder, elbow, wrist, hand, ankle and foot. The Company's broad offering of over 100 product lines includes joint replacement, trauma, sports medicine, and biologic products to treat the extremities, as well as joint replacement products for the hip and knee in certain international markets. Since its founding approximately 70 years ago, Tornier's "Specialists Serving Specialists" philosophy has fostered a tradition of innovation, intense focus on surgeon education, and commitment to advancement of orthopaedic technology stemming from its close collaboration with orthopaedic surgeons and thought leaders throughout the world.
